Intelligent 360° Swivel-Cap Design

To offer safer and easier user experiences, Mobile X21 applies the intelligent 360° swivel-cap design, which can protect the USB/ microUSB connector while it is not in use and meanwhile, allows users to operate the drive with just a simple thumb push without worries about cap loss.

Easily Transfer Data among Android™ Mobile Devices and PCs

Engineered with the dual-interface of a micro-USB and a USB 2.0 connector, Mobile X21 enables users to copy and transfer files among various Android™ mobile devices and PCs. Without constraints of weak internet signals and many kinds of cables and adapters, Mobile X21 promises easier, faster and more stable data transmission than mobile internet, Wi-Fi and Bluetooth do.

Features

- Support data transmission between Android™ Smart Handheld Devices (microUSB) and PCs (USB)
- Intelligent 360° swivel-cap design, easier operation without worries about cap loss
- Plug and play : no cables required
- Sturdy metal exterior with stylish plastic cap
- COB (Chip-on-board) technology
- Vibration proof
- Mini and lightweight, easy to carry and store
- Exclusive free-download file management App—SP File Explorer
- Recuva File Recovery, allowing recovery of erased files, such as digital photos, documents, music and videos

Instant Memory Expansion

Mobile X21 achieves the real in-time memory expansion for your mobile devices, especially for those with no microSD card slots. Just plug and store, users can stop struggling with limited capacity and get more space for every precious moment.

Exclusive Free File Management App—SP File Explorer

The exclusive free App—SP File Explorer is a file management app for Android™ devices supporting USB OTG. Without complicated search or setup steps, SP File Explorer enables more efficient data management with the automatic files categorization function. Additionally, the app offers “one-touch backup” by which you can backup files from phone memory or memory card with a simple touch only.

Specifications

- Size : 33.0 x 12.3 x 8.1 mm
- Weight : 3.3 g
- Capacity : 8GB、16GB、32GB
- Color : Silver & Black
- Material : Metal / Plastic
- Interface : USB 2.0 / USB 1.1 Compatible / micro-USB (Charging is not supported)
- Supported OS Operation Systems :
PC- Windows 8 / 7 / Vista / XP / 2000, Mac OS 10.3.x, Linux 2.6.x
Mobile device- Android 4.1.X* / windows phone 8*
(*For mobile devices that support OTG functions)
- Warranty : Lifetime warranty
